

miindia.com was founded in 1999 to connect the Indian community in Michigan by offering complete and relevant information at their fingertips. Miindia.com is a household brand in the Michigan Indian community. Discussion forum, celebrity interviews, useful blogs, business directory listing, free platform for buying and selling, job listings, event information and room mate matching are some of the features. Miindia and its team is also engaged in charitable activities in Michigan and elsewhere as a part of miindia foundation, a charitable non-profit 501 c 3.
