UTSAAH 2019 - CELEBRATION FOR EDUCATION

ON SEPTEMBER 20, 2019, 7:30P.M. AT BEST WESTERN, SOUTHFIELD, MI

“You are cordially invited to attend the DES 6th Year Charity Ball to benefit students living in financially distressed cities, and help them achieve their best potential in education.”

All proceeds will go towards purchasing laptops, tablets and other stationary needs for the students. Since 2013, our volunteers continue to tutor hundreds of Metro-Detroit students in Math, Science and English classes. Since 2017, DES is tutoring ACT/SAT classes. We are able to make this dream come true, only with your support.

“No Gift or Donation is Greater than a Gift of Education.”

To continue supporting our cause, please get your tickets at <http://detroiteducation.org/events/utsaah/> Ticket prices: Adults: \$60 Students: \$40.

Info about DES (Detroit Education Society – A registered nonprofit - 501-C-3)

In 2013, selective professionals from the Metro Detroit area founded Detroit Education Society (“DES”) with their belief and one goal in mind i.e. to give the Gift of Education. Our primary focus was to tutor STEM (Math & Science) and English courses, but now we also offer ACT and SAT preparatory courses to high school students.

In 2013, we started with 4 tutors, 6 Detroit-students and 1 school. In our 5th year, this year of 2018, we embark 200 + tutors from Metro-Detroit High schools who tutor 100 Detroit-school from 5+ Detroit Schools.

All of our tutors are high school students, college students; and professionals like Doctors and Engineers volunteering their time for this great cause. Every year, our tutors put hundreds of hours in teaching and comforting students that no subject is difficult; and every concept can be learnt if right amount of dedication and hard work is put in. At DES, each one of our tutor is compassionate instilling students with knowledge and confidence. Living through their daily commitments, yet, they never forget to contribute in these young lives. To join this great cause and become a tutor please apply at www.detroiteducation.org.

Metro Detroit Public Schools appreciates our efforts and since 2016, more than 10 Detroit-Metro High-schools have embedded DES educational program in their respective schools under the umbrella of NHS (what is NHS) clubs, managed by DES. For creating a new DES club in your school, please contact Pallawi Shrivastva at 248-376-0039.

Sponsors and donors can donate at www.detroiteducation.org. For sponsorship packages and more information, please contact Lalit Sethi at 248-312-0147.
